3 Licenses under this bye law shall be granted only to approved applicants on their depositing with the Corportion a sum of rupee one for every 100 square feet of the superficial area of the ground covered by the license as security for the proper filling in of the pits dug, and for levelling the ground.

4 In the case of a failure of a license holder to fill in the pits properly and level the ground to the satisfaction of the Corporation Engineer, the work may be carried out by the Corporation, and the cost thereof recovered from the deposit made by the license holder, the balance of which shall also be liable to be forfeited to the Corporation. Should the cost exceed the deposit amount, the excess shall be paid by the license holder or recovered from him in the manner provided in the Corporation Act for the recovery of the taxes imposed under that Act.

5 Licenses granted under this bye-law for digging or quarrying on Corporation land shall be for the official year, and a fee not exceeding annas four per 100 square feet may be charged for digging for gravel or sand and not exceeding annas two per 100 square feet for quarrying stone or for digging earth for brick-making. Licenses for digging or quarrying on private land will be granted free.

6 The Commissioner may cancel a license granted under this bye-law at any time during its currency, for a good and sufficient reason, and the license holder shall not be entitled to any compensation therefor.

7 Breach of any of these bye-laws shall render the offender liable on conviction to a fine not exceeding Rs. 50 and to a further fine which may extend to Rs. 5 for every day after such conviction during which the breach continues.

Bye-laws under Section 367 (8) of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949) for the Cleansing of Latrines and Water-Closets in the City of Bangalore.

1 The provisions of this bye-law shall apply to latrines or privies belonging to or maintained for the use of any house, building or enclosure which is assessed in the Municipal books at an annual valuation of Rs. 120 and more.

2 Every latrine shall be situated in such a position as to permit of easy access for purposes of cleansing.

3 The owner or occupier of any premises to which a latrine is attached, shall cause it to be thoroughly cleansed as often as may be necessary, and at least once in every twenty-four hours.

4 (i) The owner or occupier of any premises to which a water-closet is attached shall provide such water-closet with a cistern of adequate capacity for the purpose of flushing, and so constructed, fitted and placed as to admit of the proper supply of water for use in such water-closet.

(ii) He shall provide such water-closet with a pan, basin or other receptacle of non-absorbent material and of such shape, capacity and mode of construction as to receive and contain a sufficient quantity of water and to allow all filth which may from time to time be deposited in such pan, basin or other receptacle, to fall free of the sides thereof and directly into the water received and contained in such pan, basin or other receptacle.

(iii) He shall provide such water-closet with suitable apparatus for the effectual application of water to the pan, basin or other receptacle with which such apparatus may be connected and used for the effectual flushing and cleansing of such pan, basin or other receptacle and for the prompt and effectual removal therefrom and from the trap connected therewith, of any solid or liquid filth which may from time to time be deposited therein.

(iv) In the case of hand-flush water-closets commonly called flush-out latrines, a vessel shall be kept in the closet and filled with water at all times and contents emptied into the pan as often as necessary.

5 The owner or occupier of any premises to which a latrine is attached shall not let or permit, or cause to be let, excreta or other offensive matter from such latrine into a public drain which is not intended for the conveyance of excreta or offensive matter.

6 The owner or occupier of any premises to which a latrine is attached, shall, when required by the Commissioner, provide disinfectants and other accessories for the efficient cleansing of such latrine.

7 The owner or occupier of any premises to which a latrine is attached shall cause every drain, or means of drainage upon, or in connection with such latrine, to be maintained at all times in good order and efficient action.

8 No person shall intentionally or negligently spill any filth in the removal thereof, or omit to sweep and clean carefully every place in which any such filth has been spilled, or place or set down in any public place, any filth, whether in a vessel closed or open.

9 Whoever commits a breach of any of the above bye-laws shall be punishable--

(i) with a fine which may extend to twenty rupees and, in case of a continuing breach with fine which may extend to ten rupees for every day during which the breach continues after conviction for the first breach, or,

(ii) with fine which may extend to five rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-laws under Sections 297 and 367 (16) and (34) of the City of Bangalore Municipal Corporation Act, 1949, (Act No. LXIX of 1949) for the Sanitary Control and Supervision of premises for the purpose of boiling paddy in the City of Bangalore.

1 No place shall be used for the purpose of boiling paddy without previously obtaining a licence therefor from the Commissioner of the City of Bangalore Municipal Corporation on payment of a fee of Rs. 50; provided that no licence will be necessary for the manufacture and

and not for sale.

2 Any person wishing to use any premises for the said purpose shall apply to the Commissioner for a licence. Every application shall be in the form shown in schedule 'A'. Except in the case of temporary licence, every application should be made not less than 15 days before the date from which the licence applied for is to commence.

No licence shall be granted for a period exceeding one year and every licence shall be granted so as to expire with the official year; provided that a temporary licence for a period not exceeding one year may be granted for any special occasion and such licence shall expire with the period for which it is granted.

3 The licence shall be in the form shown in schedule 'B'.

Every application for the renewal of a licence granted under the Bye-law shall be made before the end of the first month of each official year.

The commissioner may in his discretion on the advice of the Health Officer grant or refuse a licence. When he refuses to grant a licence, he shall give reasons therefor, and an appeal shall lie to the Health Committee from such an order of refusal.

4. The licence granted under these bye-laws shall not be transferable either as regards the person to whom, or the place from which it is granted. The licence shall be affixed in a conspicuous part of the place to which it pertains with the name and residential address of the licensee correctly stated.

5 Every person who has obtained from the Commissioner a licence for the use of any premises for the purpose of boiling paddy shall provide a sufficient supply of water in such premises and shall cause such premises to be thoroughly cleansed at least once in every twenty-four hours or more often if necessary and shall prevent any accumulation of filth or refuse therein.

The following bye-laws adopted by the City of Bangalore Municipal Corporation under clause (13) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act LXIX of 1949), for the regulation of hotels, lodging houses, boarding houses, choultries, rest-houses, emigration depots or any premises to which the public are admitted for repose.

1 No place within the municipal limits shall, unless it has been duly licensed by the Commissioner, be used by any person as a hotel, lodging house, boarding house, restaurant, choultry, rest-house, emigration depot or a place to which the public are admitted for repose or where they are received and provided with sleeping accommodation, with or without food on payment.

2 (1) Application for such licence shall—

(*a*) be made to the Commissioner in such form as may be laid down by him from time to time at least one month before the premises are opened to the public; and

(*b*) be accompanied by a plan in duplicate showing the dimensions and the purpose or purposes for which each room and place in the premises is proposed to be used.

(2) The applicant shall also furnish such further or other particulars, as he may be required to do by the Health Officer or by the Commissioner.

3 (1) The Commissioner shall refuse to grant the licence if in his opinion—

(*a*) the premises are unsuitable for the purpose specified in the application, or

(*b*) the applicant is not a suitable person to be in charge thereof.

(2) In cases not falling under clause (1), the Commissioner may grant a licence subject to such conditions and restrictions (to be specified in the licence) as he may think fit.

4 Every licence issued under these bye-laws shall expire at the end of the financial year for which it is granted unless for special reasons the Commissioner considers that it should expire at an earlier date.

5 Application for the renewal of a licence shall be made to the Commissioner not later than the 1st March of the year preceding that in respect of which the renewal is applied for and shall be in such form as may be laid down by the Commissioner from time to time.

6 Where a licence is granted, it shall specify the maximum number of persons allowed in respect of the premises as a whole. One copy of the plan submitted with the application shall be returned to the applicant together with the licence and there shall be marked on such copy the number of persons allowed for each room.

7 The Commissioner may, at any time after the grant of a licence, reduce the maximum number of lodgers specified therein if, in his opinion the available space in the premises has, since such grant been reduced or if the sanitary conditions thereof have since deteriorated. Where any such reduction is effected, the fact of such reduction shall be communicated to the licensee or his agent or other person carrying on the business on behalf of the licensee and on receipt of such communication by the licensee, agent or other person, the original licence shall be deemed to have been altered for the remaining period as if the reduced figures were substituted for the original figures. The licensee, agent or other person aforesaid shall produce the licence and the plan annexed thereto to the Commissioner or other officer of the Corporation appointed by the Commissioner in this behalf and the reduced figures shall be substituted in the place of the original figures in the licence.

8 The Commissioner may, at his discretion, on application made by the licensee or his agent or other person carrying on the business on behalf of the licensee and on payment of the requisite fee, increase the maximum number of lodgers specified in the licence if in the opinion of the Commissioner the available space in the premises has, since the grant of the licence, been increased or if the sanitary conditions of the premises have since been improved. Where any such increase is sanctioned, the fact of such increase shall be communicated to the applicant who shall thereupon produce the original licence and the plan annexed thereto, to the Commissioner or other officer of the Corporation appointed by the Commissioner in this behalf and the figures shall then be substituted, in the place of the original figures in the licence.

9 The licensee shall not at any time receive or allow to be received into the licensed premises or into any room or part thereof a greater number of persons than the number specified in the licence and in the plan annexed thereto.

10 Premises used for any of the purposes mentioned in bye-law 1, shall be constructed of masonry or of such other durable materials as may be approved by the Commissioner and no part thereof shall be constructed of inflammable materials.

11 Every part of the flooring of the licensed premises shall be paved or otherwise made impervious and drained to the satisfaction of the Commissioner, and such flooring shall at all times be kept in good order and repair.

12 The licensee shall provide suitable means of ventilation and lighting upon or in connexion with such premises and shall cause the same to be maintained at all times in good order and efficient action.

13 He shall cause every drain or means of drainage upon or in connexion with such premises to be maintained at all times in good order and efficient action.

14 He shall, when such premises are intended for the use of both sexes, provide and maintain separate and suitable sleeping accommodation for the use of persons of either sex.

15 He shall provide in such premises latrines and water-closets in such position and of such description, size and number as the Commissioner may, from time to time, direct for the separate use of persons of each sex.

16 He shall cause the seat, floor and walls of every water-closet and latrine in such premises to be thoroughly cleansed from time to time and as often as may be necessary for the purpose of keeping such seat, floor and walls in a clean and wholesome condition.

17 He shall cause every part of the structure of every latrine and water-closet in such premises to be maintained at all times in good order and every part of the apparatus of such latrine or water-closet and every drain or means of drainage leading therefrom to be maintained at all times in good order and efficient action.

18 He shall—

(*a*) provide in such premises a sufficient and good supply of wholesome water, and

(*b*) cause such premises to be thoroughly swept, washed and cleansed at least once in every 24 hours at such hours as may from time to time be fixed by the Health Officer or Assistant Health Officer and shall prevent any accumulation of filth or refuse therein except in the covered receptacle referred to in bye-law 22.

19 He shall cause every window of every room in such premises which may be appointed for use and occupation as a sleeping apartment to be opened and to be kept fully open for one hour at least in the forenoon and one hour at least in the afternoon of every day except when the state of the weather is such as to render it necessary that the window should be closed or when any bed in such room may be occupied by any lodger in consequence of sickness or for other sufficient cause.

20 He shall provide the rooms, if any, used for the preparation of articles of food and drink with suitable smoke outlets and shall cause the same to be maintained at all times in good order and efficient action, and shall not at any time cause or suffer any room which may be appointed for use as a kitchen to be used or occupied as a sleeping apartment.

Bye-laws framed by the City of Bangalore Municipal Corporation under Section 367 (34) of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), for providing latrines, privies and drains in private houses and buildings and use of public latrines, urinals and dust bins, etc., in the City of Bangalore.

Latrines, Privies and Drains.

1. The provisions of this bye-law shall apply to latrines or privies or drains belonging or maintained for the use of any house, building or enclosure which is assessed in the Municipal books at an annual valuation of Rs. 120 and more.

2. Every place other than a water-closet or bath-room situated within any house, building or enclosure, and habitually used for the purpose of nature or for keeping human excreta shall be considered to be a latrine within the meaning of this bye-law.

3. Every latrine shall be in conformity with the Municipal standard design or of such other pattern and size as may be approved of by the Commissioner.

4. Every latrine shall be placed in such a position as to permit easy access for the purpose of cleaning :

Provided that any existing latrine, which, in the opinion of the Commissioner, has been erected on sanitary lines or is capable of being made sanitary at a reasonable cost, shall not be required to be re-constructed in accordance with the standard design.

5. The floor of every latrine shall be made of cement or of stone slabs pointed with cement laid on a bed of concrete, three inches thick, and shall be so sloped, drained and constructed as to carry away the fluid with facility into the drain, without its being retained on its surface or soaked into the floor, ground, plinth or walls of the latrine.

6. Every latrine shall be provided with a seat or platform so made as to compel the excreta to fall entirely into a suitable pan or receptacle of sufficient capacity placed beneath it.

7. Every latrine shall be provided with a pan or receptacle made of iron or of such other material as may be approved of by the Commissioner, and such receptacle shall not be cracked, broken, perforated, rotten or pervious to fluid.

8. In the case of servants' latrines, the floor shall not be lower than one foot and six inches above the ground level.

9. In servants' latrines attached to dwelling houses, a separate receptacle shall be kept for the deposit of the excreta from bath-rooms. The receptacle shall be of a sufficient capacity and made of such design and material as may be approved by the Commissioner and it shall be provided with a properly fitting cover.

10. Occupiers shall be responsible that all movable receptacles for latrines are tarred, kept in good order and renewed when required.

11. The walls of every latrine shall be plastered on the inside with cement or otherwise rendered impervious to uid to a height of two feet from the floor.

12. Every latrine shall be provided with a separate entrance if required by the Commissioner, for the entry of scavengers for the purpose of conservancy.

13. Every latrine shall be provided with a U-shaped cemented drain sufficiently large, well-laid and watertight to prevent its contents from overflowing or stagnating or soaking into the ground. Such drains shall terminate with an iron pipe so that the contents of the drain may fall directly into a receptacle or a Municipal drain or connected to sewer. The drains thus constructed shall be to the satisfaction of the corporation authorities.

14. All such drains shall be so constructed as to discharge their contents in a proper manner,

(1) into a Municipal drain approved by the Commissioner for the purpose, or

(2) into a movable receptacle or bucket kept in the cistern constructed at the extremity of the drain as shown in the design.

15. All drains emerging from any house, building or enclosure and passing down the external surface of plinths or walls facing any public street shall consist of pipes or be covered with masonry.

16. All drains for the removal of fluid from bath-rooms, cooking rooms, sculleries, mills and factories shall be sufficiently large, well laid and water-tight to prevent their contents from overflowing, stagnating or soaking into the foundation, floor, plinth or wall of any dwelling house; and no such drain shall discharge into any street, or into any drain or water channel except such as the Commissioner shall have notified as being set apart for the purpose.

Dust Bins.

17. No rubbish, such as dust, dirt, dung, ashes, garden, kitchen and stable refuse, or filth of any kind, or any animal matter or any broken glass or earthen ware or any other thing that is or may be a nuisance shall be deposited in any street, drain or open space except in the Municipal dust-bins.

18. Tiles, garden-sweeping, branches of trees and thatch and night-soil shall not be deposited in the Municipal bins.

19. Every owner or occupier of any land, house or building within the Municipal limits shall provide with a portable receptacle for collecting dirt, dust, filth or other offensive or impervious matter in or about his premises, and such portable receptacles shall be emptied to the Municipal dust-bins once in every twenty-four hours and kept clean.

20. If the occupier of any land, house, building or enclosure neglects to comply with all or any of the provisions of this bye-law, he shall be liable on conviction before a magistrate, to a fine which may amount to ten rupees for each offence.

Public Latrines and Urinals.

21. Any person causing himself either in the vicinity or outside or in any part of any public latrine other than in the trench made for the purpose shall be liable on conviction before any magistrate, to a penalty not exceeding half a rupee for the first and one rupee for the second and two rupees for each succeeding offence.

22. Any person easing himself either in the vicinity or outside or in any part of any of any public urinal other than in the spot made for the purpose shall be liable on conviction before a magistrate, to a penalty not exceeding half a rupee for the first offence and one rupee for the second offence and two rupees for succeeding offence.

23. Any person of one sex who shall wilfully intrude into any public latrine set apart for the use of the opposite sex, shall be liable, on conviction before any magistrate, for a penalty of Rs. 5 for the first and Rs. 10 for the second and each succeeding offence.

24. No person shall use a public urinal for other than the purpose for which it is provided Any person infringing this bye-law by using the same urinal as a latrine or otherwise defiling it, shall be liable on conviction before a magistrate, to a fine of half a rupee for the first and one rupee for the second and two rupees for each succeeding offence.

28. Every person who commits a breach of any of the foregoing bye-laws shall be punished—

(a) with fine which may extend to Rs. 20 and in case of a continuing breach with fine which may extend to Rs. 10 for every day during which the breach continues after conviction for the first breach, or

(b) with fine which may extend to Rs. 5 for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-Laws framed by the City of Bangalore Municipal Corporation under Sub-Clause (a) of Clause (25) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), for the regulation of burial and burning grounds and other places for the disposal of corpses in the City of Bangalore.

---

1 Every owner or person having control of any place used as a burial or burning ground shall cause the same to be registered in a register which shall be kept in the Corporation Office for that purpose, together with the names of the owner, and the persons having control thereof and shall deposit in the Corporation Office at the time of registration a plan of the said place showing the extent and boundaries thereof.

A fee of Rs. 10 shall be paid for every such registration.

2 If it appears to the Commissioner that there is no owner or person having the control of any such place, the Commissioner shall assume control thereof, and direct it to be registered. or may cause it to be closed.

3 Notice of the registration shall be affixed in English and in two vernacular languages, in some conspicuous place at or near the entrance to such place.

4 Whoever after the registration of any such place acquires by inheritance, transfer or any other means, the ownership or control thereof shall, within one month of such acquisition, give information thereof in writing to the Commissioner.

5 The owner or the person having control of any such place shall, when so required by the Commissioner, give all information that may be required regarding the attendants employed, or the system of management followed therein, or any other matter connected with the control thereof.

6 The owner or any person having control of any such place shall cause the same to be kept at all times in a clean state, and free from noxious vegetation to the satisfaction of the Commissioner, and shall if so required by the Commissioner by notice in writing, cause the same to be enclosed by a sufficient wall or fence.

7 The person having control of every such place shall give information within twenty-four hours to such person as may be appointed by the Commissioner in that behalf, and in such form as may be prescribed by the Commissioner, of all burials and burnings which take place therein.

8 All burials and burnings in the cemeteries shall be registered by the cemetery registrar in books in the form given in the appended Schedule 'A'. All such entries shall be made consecutively from the beginning to the end of the book.

9 Whoever brings or conveys or causes to be brought or conveyed a corpse to any burial or burning ground, shall give to the cemetery registrar in charge according to the best of his or her knowledge and belief such information of the several particulars as may be required to be known and registered, touching the death of such person.

10 No person shall act as vettiyan, grave digger or other attendant in a Municipal burial or burning ground

without being licensed for, that purpose by the Commissioner. Licenses granted for such purposes shall be in the form given in the appended Schedule 'B' and may be withdrawn or cancelled at the discretion of the Commissioner.

11 Every person who buries or causes to be buried any corpse or part of a corpse in a grave whether dug or constructed of masonry or otherwise shall do it in such a manner that the surface of the coffin or the surface of the body where no coffin is used, is not at a less depth than five feet from the surface of the ground.

12 Every person who builds or digs or causes to be built or dug any grave in any burial ground, shall leave a space of at least two feet from the margin of any other existing grave.

Burial or cremation to be made within the place demarcated.—

13 No person shall bury or burn or cause to be buried or burnt any corpse except in the place demarcated for the purpose by the Health Officer or any person authorised by him in that behalf.

14 Every corpse or part of a corpse shall be buried within six hours after it has been brought to any burial ground.

15 No person shall without the sanction in writing of the Commissioner or an order in writing of a Magistrate re-open a grave already occupied.

16 Every person who brings or conveys or causes to be brought or conveyed a corpse or part thereof to any burning ground, shall cause the burning of the same to commence within six hours after its arrival at such burning ground.

17 No person, when burning or causing to be burnt a corpse or part of a corpse in any burning ground, shall permit the same or any part thereof to remain without being completely reduced to ashes.

18 No person shall permit clothes or other articles connected with the burning of such corpse to remain at or near such ground without being completely reduced to ashes.

19 No person shall carry a corpse or part of a corpse through any street otherwise than decently covered.

20 No person, while carrying a corpse or part of a corpse within the city shall leave or expose the same in or near any street for any purpose whatever.

21 No person shall remove otherwise than in a closed receptacle any corpse or part of a corpse kept or used for the purpose of dissection.

22 No corpse shall be buried in any vault or masonry grave provided with a permanent floor which it is intended at any time after within 14 years to re-open, unless the coffin be separately entombed in an air-tight manner by properly cemented stone or brick work which shall never be disturbed.

23 One body only shall be buried in a grave at one time, unless the bodies be those of the members of the same family.

24 No non-masonry grave or masonry grave unprovided with the separate air-tight compartment prescribed in bye-law 22 shall be re-opened within 14 years after the burial of a person above 12 years of age or within 8 years after the burial of a child under 12 years of age, to bury another member of the same family unless a layer of earth not less than one foot thick be left undisturbed over the previously buried coffin. If on opening any grave any soil is found to be offensive such soil shall be left undisturbed. There shall never be less than three feet of earth between the topmost coffin and the grave.

25 No body that has not been duly embalmed and enclosed in an air-tight coffin shall be disinterred without the permission of the Commissioner. Such permission may be granted on the following conditions:—

(a) The grave should be well-soaked a day before the disinterment with a solution of perchloride of mercury of the strength of 1 in 1,000.

(b) While the grave is being disturbed it should be frequently sprinkled with mercury lotion of the above strength.

(c) The persons of the grave-diggers should be washed before and after the disinterment with a solution of perchloride of mercury of the strength of 1 in 5,000.

(d) A medical subordinate should be present at the disinterment in order to ensure that the above precautions are taken.

129

26 No person shall carry any dead body in any street which is prohibited by a Notification by the Municipal Corporation.

27 No dead body shall be kept in any premises without burial or burning for more than 36 hours after death.

28 No person shall erect or build or cause to be erected or built any monument or tomb, stone, shrine, temple, building enclosure in any Municipal burial or burning ground without the sanction in writing of the Commissioner. A fee of eight annas per square foot or part of a square foot shall be paid by the applicant before such sanction is granted by the Commissioner. The Commissioner may cause anything so erected or built without his sanction, to be demolished. Provided that each community may erect, free of charge, over the grave area measuring 7 feet by 4 feet any cross, stone, gori, brindavan, samadhi or tomb required by the religious usages of that community.

29 Any person offending against any of these bye-laws shall be punishable,—

(a) with a fine which may extend to fifty rupees and in the case of continuing breach with a fine which may extend to fifteen rupees for every day during which the breach continues, after conviction for the first breach, or

(b) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-Laws made by the City of Bangalore Municipal Corporation under Clause (29) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), for the Enforcement of Compulsory Vaccination in the City of Bangalore.

---

1 In these Bye-Laws unless there is anything repugnant in the subject or context.—

(i) 'child' means a boy or girl who has not attained the age of eighteen years;

(ii) 'guardian' means any person to whom the care, nurture or custody of any child falls by law or by natural right or recognized usage or who has accepted or assumed the care, nurture or custody of any child or to whom the care or custody of any child has been entrusted by any lawful authority;

(iii) 'parent' means the father or mother of a legitimate child and the mother of an illegitimate child;

(iv) 'person' means a male or female who has attained the age of eighteen years;

(v) 'unprotected child' means a child who has not been protected from small-pox by having had that disease naturally or by having been successfully vaccinated or re-vaccinated within seven years, as the case may be, or who has not been certified in the manner hereinafter provided to be insusceptible to vaccination.

(vi) 'unprotected person' means a person who has no visible marks of small-pox or who has not been certified in the manner hereinafter provided to be insusceptible to vaccination or is unable to produce satisfactory evidence of successful vaccination or re-vaccination carried out within seven years.

(vii) 'vaccination depot' includes a place or building where vaccination is performed free of charge by direction of the Commissioner; and

(viii) 'vaccinator' means any medical practitioner registered under the Mysore Medical Registration Act, 1931, or any vaccinator or sanitary inspector appointed by the Commissioner.

2 (i) The parent or guardian of any unprotected child who is not less than six months old and who has resided for one month within the limits of the City shall take or cause the child to be taken to a vaccination depot for vaccination or re-vaccination, as the case may be, or shall procure such vaccination or re-vaccination, by a vaccinator.

(ii) Any unprotected person who has resided for one month within the limits of the City shall get himself vaccinated or re-vaccinated, as the case may be, at a vaccination depot or by a vaccinator.

3 Whenever the residence of an unprotected person or child is changed from a place within the city to another place either within or without the city, or from a place outside the city to a place within the city, such person or the parent or guardian of such child shall, within three days of such change of residence, notify the same to the Health Officer or any other officer authorised by him in this behalf, furnishing full particulars as to the address of the new residence of the person or child.

4 The Commissioner, the Health Officer or any person duly authorised by them, may, if any portion of the City is threatened or infected with small-pox, direct every person or child in the said area who has no visible marks of small-pox or is unable to produce satisfactory evidence of successful vaccination or re-vccination carried out within four years to be vaccinated forthwith.

5 (i) If a vaccinator finds that an unprotected person or child is not in a fit state of health to be vaccinated, he shall deliver to such person or the parent or guardian of such child, as the case may be, a certificate to the effect that the person or child is not then in a fit state for vaccination; such certificate shall remain in force for the period specified therein not exceeding three months but may be renewed if necessary. The reason for the unfitness shall be specified in the certificate.

(ii) If a vaccinator finds that an unprotected person or child is in a state of health fit for vaccination, he shall forthwith vaccinate such person or child and deliver to such person or the parent or guardian of such child, as the case may be, a memorandum stating the date on which the vaccination was performed and specifying the date on which and the time and place at which, the person or the child should be present or be produced, as the case may be, for inspection.

6 (i) On the date and at the time and place notified as aforesaid, the person or child vaccinated shall be present or be produced, as the case may be, for inspection.

(ii) If the inspecting officer finds that the vaccination has been successful, he shall give to such person or the parent or guardian of such child, as the case may be, a certificate to that effect.

(iii) In the event of the vaccination being unsuccessful, the inspecting officer may, if he thinks fit, direct that the unprotected person or child shall forthwith be again vaccinated and subsequently inspected as provided in clause (i) of this bye-law.

7. If the inspecting officer is of opinion that an unprotected person or child who has been three times unsuccessfully vaccinated is insusceptible to vaccination he shall issue a certificate to that effect.

8. When an unprotected person or child is vaccinated by a vaccinator not employed by the Corporation, such person or the parent or guardian of such child, as the case may be, shall forward within fifteen days of the date of the vaccination, a certificate of successful vaccination from such vaccinator, to the Health Officer or to such person as may be authorised by the Health Officer in that behalf.

9 The Commissioner or the Health Officer may cancel any certificate given under these bye-laws, if it is proved to his satisfaction that such certificate has been improperly given or obtained on behalf of any unprotected person or child, and thereupon such certificate shall cease to be valid and notice of such cancellation shall forthwith be given to such unprotected person or the parent or guardian of such unprotected child, as the case may be.

10 (i) All vaccinations shall be done free of charge at the Vaccination Stations of the Corporation.

(ii) When any one requires vaccinations to be done at his or her residence a charge of annas 8 will be made for the first person vaccinated, and annas 4 for each additional person.

(iii) Vaccinations shall be done free of charge in schools, factories and workshops or wherever 10 people or more assemble for the purpose of vaccination.

(iv) When vaccinations are to be carried out at the residence, application should be made to the Medical

Assistants at the Sub-Offices and the fee under clause 2 shall be paid in advance.

(v) Of the fees collected half shall be credited to the Municipal funds and half to the person performing the vaccinations. A receipt on a prescribed form shall be given in respect of fees received.

(vi) Certificate of vaccination.—Certificates shall be issued free if asked for at the time of vaccination. For the grant of certificates at other times the Health Officer is authorised to make a charge of Re. 1 per certificate, which fee may be retained by him.

11 If any person or the parent or guardian of any child in respect of whom the application above referred to is made is a female who according to the customs of the country does not appear in public, the Commissioner, the Health Officer, or any person duly authorised by the Commissioner in this behalf shall direct a female vaccinator to visit the residence of such person or child, as the case may be, and perform the vaccination there.

12 (i) If the Commissioner, the Health Officer or any person authorised by the Commissioner in this behalf has reason to believe that there is an unprotected person or child in any house, he may call upon—

(a) such person to be present for inspection between the hours of 6 A.M. and 6 P.M. and to state his age, parentage, place of birth and the duration of his residence in the city, or

(b) the parent or guardian of any child in the house to produce all the children in the house under his care for inspection between the hours of 6 A.M. and 6 P.M. and to state the age, parentage, place of birth and duration of residence in the city of each of such children.

(ii) The Commissioner, the Health Officer or any person authorised by the Commissioner under clause (i) shall—

(a) if he is aware of the existence of any person or child who is unprotected and is fit for vaccination; or

(b) if, on a requisition under clause (i) any person refuses to be present or any parent or guardian refuses to produce any child under his care for inspection as required by that clause; or

(c) if after inspection it is proved to his satisfaction that any person or child is unprotected and is fit for vaccination; or

(d) if he is acting in pursuance of the powers vested in him under bye-law 4 deliver to such person or the parent or guardian of such child or cause to be affixed to the house of such person or of such parent or guardian a notice requiring the person or child, as the case may be, to be vaccinated within 72 hours at a time and place to be specified in the said notice. The person or the parent or guardian to whom such notice is delivered or at whose house it is affixed shall be bound to comply with it unless a certificate is produced from a vaccinator to the effect that such person or child has either been successfully vaccinated already or is unfit for or insusceptible to vaccination.

13 The provisions contained in bye-laws 5 to 11 shall, so far as may be, apply to re-vaccination of an unprotected person or child.

14 Whoever commits a breach of any of the following bye-laws, namely, bye-laws 2 and 3, clauses [i] and [iii] of bye-law 6, bye-law 8, sub-clause [b] and the last paragraph of clause [ii] of bye-law 12 shall be punishable,

(a) with fine which may extend to fifty rupees; and

(b) in the case of continuing breach, with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach, or with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Bye-laws framed by the City of Bangalore Municipal Corporation under Clause (26) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 [Act No. LXIX of 1949], for the Registration of births and deaths in the City of Bangalore.

---

1. Definitions—

For the purpose of these Bye-laws:—

(a) The term "District" means the area in which any Sub-Registrar of Births and Deaths is appointed to perform his functions.

131

(b) The term "Occupier" includes any person for the time being or liable to pay to the owner the rent of any portion of the rent of the land or building in respect of which the word is used.

(c) The term "Commissioner" means the Commissioner of the Bangalore Municipal Corporation for the time being.

(d) The term "Public Institution" includes a prison, lock-up, lunatic asylum, hospital, reformatory, Industrial school, barrack and any charitable or other institution, which is under the management of a public body, officer or person.

(e) The term "Sub-Registrar," means and includes any person who may be appointed by the Commissioner as a Sub-Registrar of Births and Deaths for any District of the Corporation.

(f) The term "Registrar-General" means the Director of Public Health to the Government of Mysore for the time being, and the "Assistant Registrar-General" means the Superintendent of the Bureau of Vital Statistics for the time being.

(g) The terms "Still-born" or "Still-birth" have reference to a child born after the 28th week of gestation as dead or apparently dead and not called back to life.

2. Appointment of Sub-Registrars:—

For the proper registration of all births and deaths, City shall be divided into districts, and for every such district, a Sub-Registrar of Births and Deaths shall be appointed.

3. Every Sub-Registrar shall be provided with an office at some conveniently central place within the district of which he is the Sub-Registrar, and shall cause his designation as Sub-Registrar of Births and Deaths for the district for which he is appointed, in English and Vernacular to be placed in some conspicuous place on or near the outer door of his office.

4. Information of Births and Deaths:—

(1) Information covering all the particulars specified in Form "A" appended, shall be given to the Sub-Registrar of the district within one week after the day of birth regarding every birth that takes place within the Corporation limits.

(2) The father or mother of every child born in the City, or, in the absence or default of the father or mother, the midwife assisting at the birth, or every adult male member of the family resident in the house in which the child was born shall, within one week after the day of such birth, give or cause to be given, either orally or in writing, information according to the best of his or her knowledge and belief of the several particulars required to be entered in Form "A" in respect of any such birth to the Sub-Registrar of the district.

Provided that—

(a) if any one of the above said persons gives the required information no other person shall be bound to give it, and

(b) a person not required to give information in the first instance, but only in default of some other person, shall not be bound to give such information if he or she had reasonable cause to suppose that the same had been or would be duly given by such other person:

Provided further, that in the case of an illegitimate child, it shall, in the first instance, be the duty of the mother of such child to give information, and that no person shall, as the father of such child, be required to give information concerning the birth of such child, and the Sub-Registrar shall not enter in the register maintained by him, the name of any person as the father of such child except at the joint request of the mother and of the person acknowledging himself to be the father of such child and unless such person shall sign the register together with the mother.

(3) If any child is born in any hospital, the Medical Officer in charge, thereof shall forthwith send to the Health Officer or to the Sub-Registrar a notice in writing of the occurrence containing the several particulars required to be entered in Form 'A'.

(4) In case any new born child is found exposed, it shall be the duty of any person finding such child and of any person in whose charge such child may be placed, to give, to the best of his or her knowledge and belief, to the Sub-Registrar, within seven days after the finding of such child such information of the particulars required to be registered concerning the birth of such child as the informant possesses.

(5) (*i*) The nearest adult male relative present at the death, or in attendance during the last illness, of any person dying in the City of Bangalore, or in case of the default of such relative every adult male person present at the death or in case of his default, the occupier of the house, if such occupier is an adult male person or in his default, every adult male person living in the house in which such death has happened shall, within 24 hours after the death give, or cause to be given, either orally or in writing, information to the Sub-Registrar of the district according to the best of his knowledge and belief of the several particulars required to be entered in Form 'B':

Provided that—

(*a*) if any one of the above said persons gives the required information no other person shall be bound to give it, and

(*b*) if the death occurs in any hospital, none of the aforesaid persons shall be bound to give information, but it shall be the duty of the medical officer in charge of the hospital to send within 24 hours after the death, to the Health Officer or to the Sub-Registrar, a written notice containing the particulars required to be entered in Form 'B':

Provided further that a person not required to give information in the first instance but only in default of some other person, shall not be bound to give information if he had reasonable cause to suppose that such information had been or would be duly given by such other person.

(*ii*) In the case of deaths in which an inquest is held, it shall be the duty of the officer who conducts the inquest to send, within 24 hours of the inquest, a wirtten notice to the Health Officer or to the Sub-Registrar, containing particulars required to be entered in Form 'B' according to the best of his knowledge and belief.

(6) Every medical attendant who attended on any person during his or her last illness shall, if such person has died in the City, within three days of his becoming aware of such death, give information of the fact to the Health Officer or to the Sub-Registrar of Births and Deaths in the district.

5. Particulars regarding dead bodies found exposed to be reported by the Police:—

In case of the discovery of dead bodies, whether of newly born children or otherwise, it shall be the duty of the Police Station Officer within whose jurisdiction any such body is found, to report to the Sub-Registrar, such particulars as are available for the purpose of the entries to be made in the register of death as well as, in the case of bodies of newly born children, in the register of births.

6. Priests and Burial Ground Watchmen to furnish information, f required.

Should the Commissioner so order, every person who conducts the funeral obsequies of any person dying within the Corporation limits and any person who is placed in charge of grave-yard, burning ground or other place of burial or cremation shall furnish the Sub-Registrar with such information as he may be required by Commissioner to furnish regarding any funeral obsequies conducted by him or any burial or cremation that has taken place within the premises committed to his charge, as the case may be.

7. Sub-Registrar to register information without fee or reward and to inform himself of every birth and death.

Every Sub-Registrar shall inform himself carefully of every birth and death which takes place in his district and shall register, as soon as conveniently may be, after the event, without fee or reward, the particulars required to be registered according to the Forms "A" and "B" touching every such birth or death, as the case may be, which has not been already registered.

8. Information of Births and Deaths in Public Institution:— 132

Notwithstanding anything contained in bye-laws 4 (2) and (5), in the case of a child being born or of a person dying in any choultry, chathram, hotel, boarding house, lodging house, tavern, arrack or toddy shop or place of public resort, it shall be the duty of the owner, keeper or person in charge thereof to give information required under bye-laws 4 (2) and (5) in the manner prescribed therein within 24 hours of the birth or death as the case may be.

9. Signature or mark of persons who furnish information:—

(*a*) Every person who gives information in regard to a birth or death as provided in bye-laws 4 (2), (5), bye-law 6 or 8, as the case may be, shall sign his or her name in the register maintained by the Sub-Registrar, and shall also enter his or her address, or if he or she cannot sign, put his or her mark in the register to his or her name and address which shall be entered by the Sub-Registrar.

(*b*) The Sub-Registrar shall, as soon as the registration of the birth or death, as the case may be, has been completed, give an application, free of all charge to the person who gives the information an extract under his hand from the register relating to such birth or death.

(*c*) Any person may at all reasonable times, on payment of a fee of four annas for each visit, search any Register of Births or Deaths.

(*d*) In the case of a child being born or of a person dying in any hospital, the registration of birth or death shall be deemed to be completed by the entry in the register of the particulars specified in the report prescribed in bye-laws 4 (3) and (5).

10. Entry of child's name in the register after registration:—

When the birth of any child has been registered without name, the parent or guardian of such child may within 12 months next after the registration of birth, require the Sub-Registrar to enter in the register the name of such child and the Sub-Registrar shall thereupon enter the name and shall initial and date the entry.

11. Information to be furnished by persons bringing a corpse for burial or burning:—

Every person bringing a corpse to be buried, burnt or otherwise disposed of, in any place registered, licensed or provided by the Corporation for the disposal of the dead, shall at such place, if so notified by the Commissioner or Health Officer, sign or affix his or her mark to a declaration in such form as may be determined by the Corporation, as to the cause of the death, the name of the deceased, the name of the medical attendant if any, who attended on the deceased and such other particulars as may be required in connection with the death.

12. Forms for Births and Deaths:—

The Commissioner shall cause to be printed and supplied to every Sub-Registrar a sufficient number of register books in annexed Forms "A" and "B".

13. Entries to be numbered serially:—

All entries in the registers of births and deaths shall be made consecutively from the beginning to the end of the registers. The serial number of the event shall be entered commencing from 1st January and the series shall be continued up to 31st December. No entries shall be interpolated between two serial numbers.

14. Written information received by the Sub-Registrar in writing in connection with the registration of any birth or death shall be filed by him and preserved for two years.

15. Entries in respect of children born dead:—

A special column in the register of births is provided for the entry of still-births, which are not included in the statistics either of births or of deaths.

16. Triplicate copies to be sent daily to the Health Officer:—

The triplicate pages which have been written up during every day shall be detached at the perforation and sent by the Sub-Registrar to the Health Officer, of the Corporation before the close of the following day. The particulars shall

thereupon be posted into the consolidated registers of births and deaths which shall be maintained by the Corporation.

If, during any day, no births or deaths have occurred, the triplicate form should be sent with the remark "nil" written thereon.

17. The Health Officer to collect the duplicate return from Sub-Registrars and forward them to the Registrar-General so as to reach him on or before the close of the third day following.

The duplicate pages shall be similarly detached at the perforation and sent to the Health Officer, who after scrutinising the returns carefully, should forward them in a bundle to the Registrar-General, so as to reach him on or before the close of the third day following for statistical purposes.

18. Check by Health Officer of regular receipt of returns:

A set of posting registers, showing the names of the Sub-Registrars will be maintained in the Office of the Health Officer, in which the returns received will be posted as they come in. When these registers show that the return for any day is 48 hours overdue, a reminder will be sent to the Sub-Registrar. The Health Officer will take disciplinary action against the Sub-Registrars who are frequently in default.

19. The original register to be finally deposited in the office of the Commissioner :—

Each register of originals shall be retained in the custody of the Sub-Registrar for one year after it is closed and shall then be sent to the Commissioner through the Health Officer who after careful scrutiny of all attested erasures and alterations shall file it as a permanent record.

20. The Health Officer and Assistant Health Officers and the Health Inspectors to exercise supervision over Sub-Registrars.

The Health Officer, Assistant Health Officers, and the Health Inspectors shall constantly inspect the Registers of Births and Deaths, make test checks by enquiry, instruct the Sub-Registrar as to the discharge of his duties and exercise a general supervision over the work of the Sub-Registrar. The Registers shall be checked at least once a week by the Assistant Health Officers and the Health Inspectors and the entries verified should bear the initials of the checking officers with date of check.

21. Errors :—

Every error found in the Register of Births or in the Register of Deaths shall be corrected by drawing a line through the original entry (but not so as to render it illegible) and writing the new entry above it, and the correction shall be fully signed and dated by the Sub-Registrar, if the error be discovered by him and by both the Sub-Registrar and the Checking Officer, if the error be discovered by a Checking Officer. All such corrections shall be duly intimated to the Registrar-General through the Commissioner with the reasons therefor:

Provided that no entry shall be corrected under this rule more than a year after the entry has been made, except with the previous sanction of the Commissioner.

22. Issue of Birth and Death Certificates.

Every person requiring a certificate of birth or death may put in an application addressed to the Commissioner with a court-fee stamp and shall pay a fee of one rupee. The application should state clearly—

(1) the name and father's name of the party in relation to whose birth or death a certificate is required.

(2) the date, month and year of occurrence.

(3) the name of the street and the division where the event occurred, and

(4) the postal address of the applicant for sending the copy.

If the certificate required is from the registers of a year other than in which the application is made, an additional fee of one rupee shall be paid. Such certificates or extracts from the Registers shall be certified by the Commissioner and sealed with the seal of the Corporation.

23. Notwithstanding anything stated in the above para, a certified extract from the Register of Births shall be granted free of all the charges for purposes of claiming benefit under the Mysore Maternity Benefit Act, 1937 to the woman labourers on an application duly made in this behalf, provided the application is supported by a certificate from the employer to the satisfaction of the issuing officer (*vide* Government Order No. L. 7590-2-M1. 37-39-24, dated 2nd March 1940.)

24. Penalty for omission to give information.

Any person whose duty is to give information under the preceding bye-laws and who neglects or refuses to give such information or gives false information, shall be liable on conviction to a fine not exceeding twenty rupees.

as.....

This license will expire on the 31st March 195 .

It is subject to the conditions set forth in the bye-laws of the Corporation framed under the City of Bangalore Municipal Corporation Act, 1949.

Bye-laws framed under clause (34) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949, (Act LXIX of 1949), for regulating the conditions on which permission may be given for the temporary structures on public street or for projections over public streets and for temporary occupation of streets or land in the City of Bangalore.

(A) Deposit of goods or materials temporarily on lands vested in the Municipal Corporation.

1 No person, who intends to build or take down any building or to alter or repair the outward part of any building in such a portion or in such circumstances as that the work is likely to cause or may cause obstruction, danger or inconvenience, shall, without the permission of the Commissioner, make a hole in any street or land, or erect or deposit any timber, stone, brick, earth or other materials that has been or is intended to be, used for any building, on any street drain, or land vested in the Municipal Corporation. When such permission is granted to any person, he shall at his own expense, cause such materials or such hole to be sufficiently fenced or enclosed until the materials are removed or the hole is filled up or otherwise made secure to the satisfaction of the Corporation Engineer and shall cause the same to be sufficiently lighted during the night.

2 The amount chargeable for the deposit of goods or materials on any street, drain or other land vested in the Municipal Corporation, shall be calculated at the rate of one anna per month per square foot of the area occupied and shall be payable in advance. Half this rate shall be charged if the period of occupation is less than a week.

3 If the owner of any goods or materials deposited on any street or place open to the traffic of foot-passengers or vehicles, fails to make suitable arrangements for guarding against danger to traffic, the Commissioner shall cause a notice to be served on him to make such arrangements within 24 hours after receipt of the notice, and on his failure to comply with the notice, the Commissioner shall enclose a bill of cost for carrying out the work at the owner's expense. The arrangements to be made shall be clearly and definitely specified in the notice.

4 If, within 24 hours after receipt of the said notice the owner fails to make the arrangements so specified or to show cause why such arrangements should not be made, the Overseer in charge of the Public Works Department shall forthwith make the arrangements specified in the notice and recover the cost of the same from the owner according to the procedure laid down in the Corporation Act. The owner shall have an opportunity within seven days after receipt of the bill to show cause to the satisfaction of the Commissioner that the arrangements made were unnecessary.

5 The following is the scale of fees for obstructions and encroachments of different kinds.—

(a) for awnings—Two annas per square foot per month.

(b) for temporary archways across roads—Rupee one per day for each arch on each road.

(c) The fees for obstructions shall be charged at the scales mentioned above and such charges shall be recoverable in the manner prescribed in the Act for the recovery of consolidated rates.

(B) Occupation of Public Street for vending fruits, etc.

6 In such streets or public roads as may be specified and in such parts of the same as may be set apart by the Corporation, a fee of six annas per month or quarter of an anna per day shall be levied for the temporary occupation of a public street for the sale of articles, *e.g.*, vegetables, fruits, silk, cotton goods or ware, betel-leaf, head-loads of firewood, etc., provided that the Commissioner may allow the temporary occupation of public streets as not to inconvenience the public and may order the levy of a fee not exceeding four annas per square yard per month.

7 Any person who takes out a license for a certain area and subsequently occupies a greater area without taking out a license for the excess so occupied shall be liable to pay for such excess area an amount calculated at the rate of ten annas per month per superficial foot of the area so occupied. This amount shall be recoverable according to the procedure laid down in the Bangalore Corporation Act.

II. Regarding the erection of pendals or other temporary structures on public streets.

8 No pendals or other temporary structures for marriage or other purposes shall be erected in any street, land or public thoroughfare, without the written permission from the Commissioner. On receipt of application for permission to put up such structures, specifying the situation, size and other particulars, license will be issued by the Commissioner if he sees no objection thereto, on such conditions as he may think necessary to provide for the public convenience and safety on payment of the following fees:

(i) For a pendal 6 feet broad by 12 feet long or not exceeding 72 square feet.	None
(ii) For a pendal exceeding 72 square feet and not exceeding 150.	Eight annas
(iii) For every additional 150 square feet or portion.	Eight annas

(a) No pendal shall ordinarily be allowed to stand for more than 15 days,

An extension of time may be granted on payment of one half the original fee, but not so as to exceed a month from the commencement.

(b) If on the expiration of the time allowed in the license, or the period granted in extension thereto on special application, the person that puts up the structure does not remove it, the Commissioner may issue a notice to the defaulter for its removal within such time as may be fixed by him in each case; at the end of which time he may have it removed and the cost of such removal shall be recoverable from the defaulter as a municipal demand.

(c) Any breach of this bye-law will, on conviction, subject the offender to a penalty not exceeding Rs. 5 for the first offence and Rs. 10 for each subsequent offence.

(d) Provided that in the case of pendals intended for purposes of charity, religion or public utility, permission may be granted free of charge, but the period of its existence shall not exceed fifteen days.

III. Regarding the projections over public streets.

9 (a) No weather-board, sun-shade, shop-board or any other projections shall be allowed in any street which is less than 15 feet in width.

(b) In streets which are not less than 15 feet in width, permission may be granted for the putting up of weather-boards, sun-shades, shop-boards, etc., not exceeding 2½ feet in breadth.

10 In streets which are more than 30 feet wide, the weather-boards, sun-shades, shop-boards, etc., may not be more than 3 feet in width.

11 The weather-boards, etc., shall always be of non-inflammable material like zinc sheets or asbestos cement sheets.

12 The fees for weather-boards, etc., for every half year payable in advance shall be as follows:—

One rupee for every weather-board, etc., not exceeding 2½ feet in width and 10 feet in length or fraction thereof.

Two rupees for every weather-boards, etc., not exceeding 3 feet in width and 10 feet in length or fraction thereof.

13 The weather-boards, sun-shades, etc., shall not be less than 8 feet high from the plinth of the building or surface of the street.

14 Any breach of any of these Bye-laws not otherwise provided for will, on conviction, subject the offender to a penalty not exceeding Rs. 5 for the first offence and Rs. 10 for each subsequent offence.

Bye-laws under Section 367 (16) of the City of Bangalore Municipal Corporation Act, 1949, for the sanitary control and supervision of premises used for storing, packing, pressing, cleansing or preparing or manufacturing by any process whatever skins, hides, leather, in the City of Bangalore.

The License is granted to Sri/Janab..... (Name and Address)

for the use of..... (insert description of place)

as a .....

2. This License will expire on the 31st March 195 .

3. It is subject to the conditions set forth in the Bye-laws framed under the City of Bangalore Municipal Corporation Act, 1949.

Bye-laws framed by the City of Bangalore Municipal Corporation under Clauses (17) and (34) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (LXIX of 1949) for the Control and Supervision of Slaughter Houses and of places used for Skinning and Cutting up of Carcasses ; for the Control and Supervision of the methods of Slaughtering ; and for the Control and Supervision of Butchers carrying on business in them and for securing cleanliness, safety and order in the Slaughter Houses.

---

1 No person shall use any place within the limits of the Bangalore Municipal Corporation for the slaughtering of sheep, goats, camels or pigs intended for human food except a municipal or licensed slaughter house or places permitted by the Municipal Commissioner on special occasions.

2 The Veterinary Inspector in the employ of the Municipal Corporation shall be in the immediate charge of the Municipal Slaughter Houses. A person bringing an animal intended for slaughter to the Municipal Slaughter Houses shall present such animal for inspection to the Veterinary Inspector at the places set about for the purpose in the Slaughter Houses at least two hours before the slaughtering commences. The Veterinary Inspector shall carefully inspect and examine every animal brought for slaughter whether for private consumption or for sale to the public and satisfy himself that such animals are perfectly healthy before he admits them for slaughter. He shall see that no diseased sheep, goats, camels or pigs are slaughtered therein for food or their carcasses removed to the Municipal Markets or other recognised or licensed places for sales.

3 The owner of the animal examined and passed by the Veterinary Inspector as fit to be slaughtered for food, shall pay the fees prescribed hereunder to the persons authorised to collect such fees before the animal is admitted into the slaughtering yard.

	Rs.	a.	p.
For each camel admitted for slaughter ...	1	0	0
For each sheep or goat admitted for slaughter.	0	3	6
For each pig admitted for slaughter ...	0	6	0

4 The Veterinary Inspector whose duty it is to inspect any animal presented for inspection shall reject any such animal which for any person may appear to him unfit to be slaughtered for human food. The owner of an animal so rejected shall cause it to be forthwith removed from the slaughter-house premises.

5 A person shall not under any circumstances pass or attempt to pass into the inner yard of the slaughter house any animal which has not been inspected and passed as fit to be slaughtered.

6 No person shall bring into the Slaughter house a dying or dead animal. If such animal is brought for slaughter, the Veterinary Inspector shall seize and destroy them at the cost of the owner of such animal.

N.B.—This bye-law shall not apply to the case of an animal which has met with an accident rendering it unfit for further work if it is brought to the slaughter house immediately after the accident.

7 The hours prescribed for slaughtering the sheep, goat or camel will be from 12 NOON to 7 P.M. and for slaughtering the pigs will be from 5 A.M. to 10 A.M.

8 The carcasses of all slaughtered animals shall be examined by the Veterinary Inspector. If any such carcass be found to be diseased, unsound or otherwise unfit for human consumption, it shall be seized, destroyed and disposed of so as to prevent its being used for human food or exposed for sale, at the expense of the owner or person in charge of the carcass at the time of the seizure. Except in cases of contagious or infectious diseases, the skin of the animal shall remain the property of the owner.

9 All animals are to be slaughtered in such a manner as will not cause unnecessary pain or suffering and in dressing any carcass or portion of a carcass, the meat shall not be subjected to the process of "blowing" or "Fooku" by any person.

10 No person shall rub or cause to be rubbed the inner sides of the skins upon the ground in any part of the Slaughter house, Slaughter house yard or in the neighbourhood of the Slaughter house premises.

11 No person shall allow the contents of the entrails, refuse, offal and other offensive matter to be washed or let into the sewer or drain, but they shall be removed and deposited in the receptacles provided for the purpose.

12 The owner of the animal slaughtered shall remove skins, entrails, offal and other matters from the premises of the Slaughter house within three hours after the slaughtering or dressing has been completed. If they are not removed within the time allowed, they shall become the property of the Corporation.

13 The carcasses of all animals slaughtered shall be removed to the hanging room attached to the Slaughter house and shall be kept there till 6 A.M. of the following day This rule will not apply to the carcasses of animals slaughtered for immediate use on special occasions such as public entertainments, marriages or festivals or to those intended for despatch by night train to outside places for which special permission of the Commissioner or the Health Officer of the Corporation has been obtained.

14 The Veterinary Inspector shall stamp all carcasses before they are removed from the hanging rooms to the stalls in the municipal markets or licensed meat stalls in token that they are passed out of Slaughter house as fit for food. No person shall remove any carcass from the hanging room without being stamped by the Veterinary Inspector.

15 Every person desirous of carrying on the business of a butcher, broker, shroff, animal dealer or hide-dealer,

or of otherwise carrying on trade or business, or of working for gain within the limits of the Slaughter house premises, shall obtain from the Commissioner a written permission or licence to enter and carry on such business within the said premises on payment of such annual fees as shall from time to time be fixed by the Commissioner with the sanction of the Corporation, and no person shall carry on any such trade or business or work for gain within the limits aforesaid without such written permission or licence or contrary to such permission or licence terms. Such permission or licence shall be granted up to the end of official year only and may be renewed for similar period on satisfying the conditions required therefor.

16 A butcher or other person who handles the carcasses in the Slaughter house and in the removal of the same to the market or other places shall produce before the Commissioner a certificate from the Health Officer or any medical officer not below the rank of an Assistant Surgeon showing that he is free from any contagious, skin or venereal disease when he applies for the permission or licence for the first time. Such a certificate shall be produced by him during the time of renewal of permission or licence every year. The Health Officer or Veterinary Inspector may require any butcher or other person handling the carcass to undergo medical examination at any time during the year if he suspects that the butcher or person handling carcass is suffering from any disease.

17 Every licensee shall be responsible for any damage done to the Slaughter house either by his own act or by the act of his servants. Any such licensee refusing to pay the cost of damages shall have his licence cancelled and the amount of damage shall be recoverable under Section 420 of the Municipal Corporation Act 1949.

18 No leper or person suffering from an open sore or any loathsome, infectious or contagious disease shall enter the Slaughter house nor such persons shall be employed by a licensee to remove any carcass or meat from the Slaughter house.

19 No dog shall be permitted to enter the premises of a Slaughter house and any dog found therein may be dealt with as a stray dog and destroyed by the Corporation.

20 No person shall spit in the premises of Slaughter house except in such receptacles as are provided for such purpose.

21 No person not being the holder of a written permission or licence shall, without the previous permission of the Commissioner, enter the Municipal Slaughter houses.

22 Any person resorting to the Municipal Slaughter houses for any purpose shall not at any time refuse, neglect or omit to comply with any reasonable directions of the Veterinary Inspector or any of his assistants for the maintenance of order and regularity.

23 No person shall remove carcasses and meat from a Slaughter house to any market or other place except in a suitable covered vehicle of an approved pattern and specially set apart for the purpose. Such person shall, during such removal, conceal the carcasses and meat from public view and completely protect them from flies and dust. Persons providing such vehicles shall at all times keep the same in a clean and sanitary condition and in good order and repair. Where such vehicles are provided by the Corporation, no person shall remove the carcasses and meat except in a vehicle so provided and such carting fees as may be fixed by the Standing Committee from time to time shall be paid for the use of the vehicle.

24 Whoever commits a breach of any of the foregoing bye-laws shall be liable for every such breach to fine which may extend to (Rs. 50) fifty rupees and in case of continuing breach to fine which may extend to (Rs. 15) fifteen rupees for every day during which the breach continues after conviction for the first breach.

Draft bye-laws under section 367 (28) and (34) for the regulation of private Hospitals and Nursing Homes for the treatment of Dangerous Diseases of persons in the City of Bangalore.

---

1. No person shall carry on within the City of Bangalore a private hospital or nursing home for the treatment of any of the dangerous diseases specified in Section 3 (a) of the City of Bangalore Municipal Corporation Act LXIX of 1949, or any other dangerous disease which may be notified from time to time by the Local Government under Section 345 of the City of Bangalore Municipal Corporation Act without obtaining a certificate of registration from the Commissioner, City of Bangalore Municipal Corporation.

2. The Commissioner may refuse registration of a private hospital or nursing home if he is satisfied —,

138

(a) that by reason of its situation, construction, accommodation, staffing or equipment, the institution is objectionable, or

(b) that the institution is not under the charge of registered medical practitioner or that there is not a proper proportion of qualified nurses employed.

3. The certificate of registration must be kept affixed at a conspicuous place in the hospital or home.

4. The Commissioner may, by an order in writing, cancel the registration on any of the grounds which would entitle him to refuse the application for registration.

5. The Commissioner, Health Officer, or any person duly authorized by the Commissioner may enter any private hospital or nursing home at all reasonable times for the inspection of the premises and records.

6. Any person found guilty of having violated any of the above bye-laws shall be punished with a fine of Rs. 50 and in the case of second or subsequent offence with a fine of Rs. 100.

Animal Control —Stables, Sheds and Cow-Houses.

Draft bye-laws under sections 290 (2) and 367 (14) of the City of Bangalore Municipal Corporation Act 1949 (Act LXIX of 1949) to provide for regulating the mode of constructing stables, cattle-sheds and cow-houses and connecting them with Municipal drains.

1. No person shall use any premises for stables, cattle-sheds or cow-houses within such distance of any human habitation as the Health Officer may specify.

2. The floor of such premises shall be at least one foot above the level of the adjoining ground.

3. No person shall use any premises for any of the purposes mentioned in bye-law 1, unless every building in such premises is constructed of masonry and unless every part thereof is constructed of non-inflamable material.

4. Every such premises shall comply with the following further requirements :—

(a) It shall have an open space of not less than 10 feet in width at least on two sides within the boundary of such premises. It shall be open on two sides which may, however, be fitted with such weather boards and screens as may in each case be approved by the Health Officer.

(b) It shall have a wall of a height of not less than 6 feet in any portion thereof between the floor and the wall plate.

(c) Shall provide for a floor space on the following scale namely :—

(i) for each horse—not less than 9 feet by 6 feet ; and

(ii) for each bullock, cow or buffalo—not less than 9 feet by 4 feet.

Such space shall, in each case, be exclusive of the space occupied by any manger or drain or by any carriage or cart kept in such premises.

5. The owner or occupier of any such premises shall cause the flooring of every building in such premises to be paved or otherwise made impervious. He shall cause such flooring to be grooved and sloped towards an impervious masonry drain which, in unsewered areas in the city, shall be shallow and discharge into a grit chamber and shall be connected with a public drain when so permitted by the Commissioner. In sewered areas, such drains shall be provided with suitable traps and connected with the sewers. Where there is no public drain or sewer, the drain from the premises shall discharge into a masonry

cistern situated inside the yard. Such cistern shall be of such dimensions as to hold not less than twenty-four hours' flow of waste water from such premises and shall be closely covered and fitted with an air-tight frame and cover. Such cistern shall be completely emptied and cleansed at least once in every twenty-four hours and the waste water disposed of in such manner as may be approved of by the Health Officer.

6. He shall cause every open space in or upon such premises to be paved or metalled and drained to the satisfaction of the Commissioner.

7. He shall provide in such premises, if so required by the Commissioner, suitable latrine accommodation for persons employed in or using such premises.

8. He shall provide suitable covered, air-tight non-absorbent receptacles for the deposit of all refuse matter and shall cause such receptacles to be emptied twice in every twenty-four hours into dust bins or municipal carts.

9. He shall provide a sufficient supply of wholesome water and shall maintain such number of troughs for watering animals as may be prescribed by the Health Officer from time to time.

10. He shall cause the said premises to be thoroughly cleansed at least twice in every twenty-four hours or more often, if necessary, and shall prevent any accumulation of filth or refuse therein.

11. He shall give immediate notice to the Health Officer or the Divisional Sanitary Inspector of the occurrence of any infectious or dangerous disease among the animals in such premises and shall segregate or remove all sick animals to such places as the Health Officer may direct and shall not sell or cause to be sold or use or cause to be used the milk of such animals for any purpose without the written permission of the Health Officer.

12. Whoever commits a breach of any of the above bye-laws shall be punishable—

(*a*) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach ; or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Draft bye-laws framed by the City of Bangalore Municipal Corporation under sub-section (28) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949, (Act LXIX OF 1949), for regulating the destruction or segregation of horse and cattle suffering from anthrax, glanders, rinderpest or any other such disease.

---

1 Notice of the occurrence of any case of anthrax, glanders, rinderpest or any other such disease, affecting horses or cattle shall be given to the Health Officer or the Sanitary Inspector of the Division.

2 The Health Officer on receiving information of the existence of any such disease shall make such enquiry as may be necessary, and if he is satisfied that the removal or segregation of any such animals is necessary, the owner shall keep such animal or animals apart in or remove them to, such place as may be approved by the Health Officer.

3 On report from the Health Officer that the destruction of any animal is necessary by reason of its suffering from such disease, the Commissioner may, by order in writing, require such animal to be immediately destroyed, and no damages shall be payable in respect of any animal destroyed under such order. When any animal has died from, or been destroyed on account of, any such disease, the carcass shall be removed as soon as possible to the nearest cinerator and there cremated. The cost of such removal and cremation should be paid by the owner or person in charge of the animal.

4 Every place which had been occupied by any animal suffering from such disease, and everything which may have come into contact with such animal whilst so suffering, shall be immediately cleansed and disinfected in such manner as may be required by the Health Officer, and if any such thing is in the opinion of the Health Officer not susceptible of efficient disinfection, he shall require it to be destroyed, provided that for all articles so destroyed such compensation shall be paid as the Commissioner, after necessary enquiry, may consider reasonable. 139

5 Every stall or building which has been occupied by an animal suffering from such disease shall, within 24 hours after it has been disinfected as provided in Section 4 above, be thoroughly lime-washed, and no such stall or building shall be re-occupied, until at least 7 days after it has been so disinfected and lime-washed.

6 Breach of any of these rules shall render the offender liable on conviction to a fine not exceeding Rs. 50 and to a further fine which may extend to Rs. 5 for every day after such conviction during which the breach continues.

Draft Bye-laws under sub-section (16) of Section 367 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), to provide for the Sanitary Control and supervision of places for the manufacture and preparation of ærated waters.

---

1 (*a*) No place shall be used as a place for the manufacture and preparation of ærated waters without previously obtaining a licence therefor from the Commissioner of the City of Bangalore Municipal Corporation, on payment of a fee of Rs. 50 : provided that no licence will be necessary for the manufacture and preparation of the above article for private consumption and not for sale.

(*b*) Any person wishing to use any premises for the said purpose shall apply to the Commissioner for a licence. Every application shall be in the form shown in Schedule "A". Except in the case of temporary licence, every application should be made not less than 15 days before the date from which the licence applied for is to commence.

(*c*) No licence shall be granted for a period exceeding one year and every licence shall be granted so as to expire with the official year : provided that a temporary licence for a period not exceeding one year may be granted for any special occasion and such licence shall expire with the period for which it is granted.

(*d*) The licence shall be in the form shown in Schedule "B".

Every application for the renewal of a licence granted under the bye-law shall be made before the end of the first month of each official year.

The Commissioner may, in his discretion on the advice of the Health Officer, grant or refuse a licence. When he refuses to grant a licence, he shall give reasons therefor, and an appeal shall lie to the Health Committee from such an order of refusal.

(*e*) The licence granted under these bye-laws shall not be transferable either as regards the person to whom, or the place for which it is granted. The licence shall be affixed in a conspicuous part of the place to which it pertains with the name and residential address of the licensee correctly stated.

2 No person shall use any building for manufacturing ærated waters unless—

(*a*) it is constructed of masonry ;

(*b*) every part therefor is constructed of non-inflammable material ; and

(*c*) suitable accommodation is provided separately for—

(i) the cleansing of bottles, (ii) the filteration and storage of water, (iii) the charging of bottles, (iv) the storage of all materials connected with such manufacture, and (v) the making and mixing of syrups.

3 Every person who has obtained from the Commissioner a licence for the use of any premises as an aerated water factory shall provide a sufficient and good supply of water in such premises and shall cause such premises to be thoroughly cleansed at least twice in every twenty-four hours or more often, if necessary and shall prevent any accumulation of filth or refuse therein.

4 He shall cause the flooring of every building in such premises to be paved or otherwise made impervious and drained to the satisfaction of the Health Officer. Such flooring shall be kept at all times in good order and repair.

5 He shall provide good ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

6 He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

7 He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot lime washed at least twice in every year in the months of April and October or more often if so required by the Health Officer.

8 He shall not use or permit or suffer any part of such premises to be used at any time for purposes of human habitation or for stabling animals.

9 He shall provide such latrine accommodation for persons employed in the factory as is approved by the Health Officer. Such latrine shall be situated outside the building used as aerated water factory and shall not communicate directly with it.

10 He shall provide filters, storage tanks, vessels for boiling and other appliance of such design, materials and capacity as the Health Officer may by general or special order require for the purification and storage of water and he shall cause to be maintained at all times such storage tanks, boiling vessels and other appliances in a clean and sanitary condition and in good order and repair. He shall not cause or suffer any aerated waters to be manufactured in such premises from water which has not been filtered and purified to the satisfaction of the Health Officer.

11 He shall provide for the preparation of syrups or such other articles, vessels of glass or enamel or of such other material as may be approved by the Health Officer.

12 He shall cause every bottle to be thoroughly washed and cleansed with a brush or other suitable apparatus, and shall, before it is charged, cause it to be drained of the water in it by keeping its mouth downwards on a rack provided for the purpose.

13 He shall provide a sufficient number of racks of a design approved by the Health Officer for the draining of washed bottles and for storage of charged bottles.

14 He shall provide sach bottles and corks as may be approved by the Health Officer.

15 He shall not use or cause to be used such chemical and colouring matter that is injurious to health.

16 He shall provide chemical and colouring matter whose chemical composition and the manufacturers's label is given on such bottles.

17 He shall not use or cause to be used any flannels, sponges, muslins or other similar materials in the purification or filteration of water or the preparation of syrups.

18 He shall at all times adopt and cause to be maintained in good order and efficient action upon such premises all such means and appliances, as the Health Officer may, from time to time, require for the purpose of preventing, any injury to any person employed therein or preventing, abating or minimising any nuisance or annoyance to the neighbourhood or to the public.

19 No person shall spit in or upon such premises except in which receptacles or places as are provided for the purpose.

20 No leper and no person suffering from an open sore or any loathsome infectious or contagious disease shall carry on the business referred to in bye-law 1 and no licensee shall employ leper or any person suffering as aforesaid to assist him in carrying on such business.

21 Every licensee shall cease temporarily to carry on such business on the occurence of leprosy or of any loathsome, infection or contagious disease in his house or in the house of any person employed in or assisting in such business and he shall not sell any article made or kept therein or resume such business without the written permission of the Health Officer.

22 He shall not permit any aerated waters manufactured in such premises to be issued without his trade label being affixed thereon. 140

23 He shall cause every person employed in such business to be medically examined on entertainment and once every year thereafter. He shall also require every such person to produce a certificate from a Corporation Medical Officer to the effect that he is free from disease or infection of any kind and is fit for employment in such business. Such certificate shall be granted free of charge by the Corporation Medical Officers and shall be produced by the licensee for inspection as often as may be required by the Health Officer or Inspecting Officers.

24 No dog shall be kept or permitted in any aerated water factory.

25 The licensee shall, whenever so ordered by the Commissioner, forward to an approved or Corporation laboratory samples of water at any stage in the manufacture of aerated water for chemical and bacteriological examination. He shall submit the result of every such examination to the Commissioner and shall also meet all expenses incurred in this behalf.

26 He shall not hire out any machinery to, or permit any machinery to be used by private individuals for charging with gas or for manufacture of aerated waters.

27 Whoever commits a breach of any of the above bye-laws shall be punishable:—

(*a*) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach : or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt notice from the Commissioner to discontinue such breach.
